In response to the Interview Summary of September 3, 2003, please find the
Statement of Substance of Interview below:

On August 28, 2003, Examiner Monica Lewis and Attorney Sean F. Sullivan had a telephone conference in which Claims 1 and 18 were discussed. The Substance of Interview; including a description of the general nature of what was agreed to is as follows:

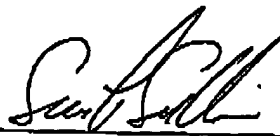

Sean F. Sullivan stated that (5) is the fuse structure in Agarwala. He stated that in Figure 7 of the present invention the conductive layer (30) is located on top and in contact with the organic layer (26). Additionally, he stated that the vias in Agarwala were not part of the fuse structure.

No new matter has been entered and no additional fees are believed to be required. However, if any fees are due with respect to this Statement, please charge them to Deposit Account No. 09-0458 maintained by Applicants' Assignee.

Respectfully submitted,

CANTOR COLBURN LLP
